Mitchel Field Commissary to reopen March 4

By DeCA Corporate Communications

FORT GREGG-ADAMS, Va. – The Defense Commissary Agency is pleased to announce the reopening of the Mitchel Field New York Commissary on March 4.

“We are so excited to announce to our loyal customers that the Mitchel Field commissary will reopen to provide the commissary benefit for in person shopping starting March 4,” said Ronald Yoder, East Area Director. “We truly appreciate the patience and understanding while necessary repairs were made and the commissary team is looking forward to greeting patrons in person.”

As part of the reopening, the first 25 authorized patrons at the door will have a chance to win one of 20 commissary gift cards, bicycles, coolers or a grill.

The commissary was closed in early July 2024 due to structural issues. The decision to close the facility was a collaborative effort made by installation leadership and DeCA. The closure allowed for safety and structural assessments to ensure repairs aligned with DeCA’s commitment to a safe and healthy working environment for our patrons and employees.

During the temporary closure, in an effort to continue serving patrons, DeCA launched a special Commissary CLICK2GO drop-off event at the store every Wednesday, allowing patrons to place online orders that were picked, packed and delivered to the Mitchel Field store with support from the Fort Hamilton, New York Commissary.

About DeCA: *The Defense Commissary Agency operates a worldwide chain of commissaries providing groceries to military personnel, retirees and their families in a safe and secure shopping environment. Commissaries provide a military benefit, saving authorized patrons thousands of dollars annually on their purchases compared to similar products at commercial retailers. The discounted prices include a 5-percent surcharge, which covers the costs of building new commissaries and modernizing existing ones. A core military family support element, and a valued part of military pay and benefits, commissaries contribute to family readiness, enhance the quality of life for America's military and their families, and help recruit and retain the best and brightest men and women to serve their country.*
