Subject: 2024 Vendors List for DECA
Attachments: Colonel Richard J. Bendelewski 12-31-2024.pdf

Good afternoon,

It is the duty of the Commissioner of the Revenue to ensure tax compliance for all businesses operating in Prince George County, including private businesses operating on Fort Gregg Adams. The Commissioner of the Revenue for Prince George County requests your assistance in obtaining information with regard to contract amounts and gross receipts for private companies that are service providers, vendors, and construction workers who have contracts to work on Fort Gregg Adams.

Throughout the year we ask for a list of business names, mailing addresses, gross receipts, and or contract amounts from the agencies on Fort Gregg Adams. The information is being requested in order for this office to accurately perform its duties in managing and issuing business licenses.

This list should include all the vendors paid in 2024.

We need Business Name, Gross Receipts, mailing addresses, phone numbers, email address, and SSN/Federal ID Numbers if possible.

I am attaching a copy of the letter our office sent out for your reference.

Please let me know if you have any questions.

Happy New Year Kirk

Linda Howard
