SUBJECT: Barksdale AFB Grocery Reset Schedule

This “Notice to the Trade” provides the schedule for the Barksdale AFB Commissary full store reset. DeCA will utilize cluster merchandising planograms specific to Barksdale performance over 52 weeks. The reset will involve the replacement of shelving and will take place over 5 nights, starting March 8th. The reset will be conducted nightly after the store closes to provide customers with a new shopping experience the following day. The schedule is as follows:

- Sunday, March 8th: The dry grocery reset will begin at 10:00 p.m.
- Monday, March 9th through Thursday, March 12th: Reset will be on-site decisions for dry.
- Frozen, dairy and packaged meat will start at 7:30 p.m. Date TBD.

Vendor support each night will be crucial for completing this aggressive nightly schedule. We request that each participating company send a list of their team members who will be attending no later than February 23rd, 2026.

Produce will be determined on-site and subject to change.
