NOTICE TO THE TRADE – DeCA NOTICE 26-53

SUBJECT: JB Lewis Main Perishable Grocery Reset Schedule

This “Notice to the Trade” intends to provide the schedule for the Fort Lewis Commissary perishable reset. DeCA will use cluster merchandising planograms specific to Fort Lewis performance over 52 weeks. Fort Lewis will be executed without replacement shelving. The reset will take place over three nights, starting March 22nd. The reset will be conducted nightly after the store closes, affording the customers with a new shopping experience the following day. The schedule is as follows:

- Sunday, March 22nd, the Frozen department will be reset at 8 p.m.
- Monday, March 23rd, Dairy and Pkg Meat will be reset at 8pm.
- Tuesday, March 24th, finalize open categories, if needed.

Vendor support each night will be crucial for completing this aggressive nightly schedule, especially for the duration of the store's set dates. We are requesting each company participating to send a list of their team members attending NLT March 6th, 2026.

Produce will be determined on-site and subject to change.

If you have any questions or concerns, please contact Michael Denny at 785- 571-8000 or Brooke Pfister at 804- 734- 8000, Ext 86081.
