The reset will involve the replacement of shelving and will take place over 5 nights, starting May 17th. The reset will be conducted nightly after the store closes to provide customers with a new shopping experience the following day. The schedule is as follows:

- Sunday, May 17th: The dry grocery reset will begin at 10:00 p.m.
- Monday, May 18th through Thursday, May 21st: Reset will begin at 10:00 p.m. for dry.
- Frozen, dairy and packaged meat will start at 7:30 p.m. Date TBD.

Vendor support each night will be crucial for completing this aggressive nightly schedule. We request that each participating company send a list of their team members who will be attending no later than April 1st, 2026.
